

CUTS ESTIMATES TO KEEP SAME TAX RATE

County Council Loops \$28,700 off
1926 Budget so That Levy May
Remain at Nine Cents

14 CENT RATE PROPOSED

Item of \$20,000 For New Bridges
Eliminated and Other Reductions
Made in Estimates

The county council slashed the budget for 1926 to such an extent that there will be no increase in the county tax levy next year and it will remain at nine cents. The budget prepared last month called for appropriations which would have made a levy of fourteen cents necessary.

The appropriation ordinance amounted to \$86,396, of which \$43,171 will be raised by taxation. The remainder of the sum appropriated will be an estimated balance of \$30,000 in the general fund this year and \$13,225 estimated to come from fees and interest.

The council's budget called for an expenditure of \$113,096, showing \$28,700 looped off as the result of the two-day meeting closing late Wednesday afternoon.

The council also made deficiency appropriations for the remainder of this year amounting to \$3,270.25. All of the appropriations asked were made with the exception of \$180 for janitor's salary.

The biggest cut in the budget was the elimination of the item of \$20,000 for new bridges asked by the county commissioners. The council, however, did not pare down the \$10,000 asked for repair of bridges.

The council cut \$300 off the janitor's salary, allowing him only \$1,800. The council was criticized for this action because George Mitchell, the janitor, is regarded as by far the most efficient man ever holding the position here. He has to hire help the year around in order to do the work and keeps the court house in first class condition.

After hearing a protest from the Rush County Farm Bureau's board of directors and other farmers, the council decided to make the appropriation of \$1,500 for the county agent's office. Legal opinions were read to show that the law made the appropriation mandatory and that no petition was required after the first time.

The commissioners asked \$2,400 for repair of the court house and were allowed \$1,000 and the budgeted item of \$300 for the jail was reduced \$100. The council reduced the item for expense of county orphans in other institutions from \$5,000 which was asked, to \$4,000, and the item for expenses of inmates in state institutions from \$4,500 to \$2,000. The sum of \$8,100 was asked.

FIVE DEATHS IN STATE RESULT OF ACCIDENTS

Four Persons Killed in Automobile
Mishaps and one Woman Killed in
A Fall

DURING LAST 24 HOURS

Indianapolis, Sept. 10—Five accidental deaths in Indiana during the past twenty four hours were reported today. Four were caused by auto mishaps.

Mrs. Ella Hightshue, 60, died from injuries received in the collision of an auto and a truck here. The woman's skull was fractured. Ralph Bernhardt, driver of the truck, was held for involuntary manslaughter.

Jean Schuyler, 7, was fatally hurt at Anderson when an auto driven by her father was struck by a switch engine.

Mrs. Elizabeth Schunk, 64, died in a hospital at Anderson from concussion of the brain. She was hurt in a fall from a step ladder.

Virgil Hall, 10, died at Evansville after he had been hit by an auto driven by Leslie Gregory, of Princeton. Gregory was not held responsible for the accident.

Thrown from a skidding auto at Madison, Mrs. Mary Godfrey, 78, was killed while four other persons escaped unhurt.

FIREMEN IN STATE MEETING

Busy Session is Held Today at
Evansville Convention

Evansville, Ind., Sept. 10—Indiana firemen meeting here in their eighth annual convention were preparing today for the most important sessions of the three day meeting, including a business meeting, a steamer trip down the Ohio river and a program of addresses at a banquet tonight.

Addresses to be made will include those of Lieut. Governor Harold Van Orman, Evansville; Frederick Schortemeier, secretary of state; Newton Miller, state fire marshal of Indiana; John Gamber, state marshal of Illinois, and W. H. Shanks, fire marshal of Kentucky.

TWO DEFENDANTS PLEADED GUILTY

Jesse Price of Posey Township
Fined on Two Charges of Violating
Liquor Laws

GETS 30 DAYS FARM SENTENCE

Erroll Archey of Anderson Township
Fined \$5 and Costs for Assault
—Other Court News

Two defendants in criminal cases appeared this morning in the circuit court and changed their pleas of not guilty, to guilty, and were fined by Judge Sparks, with one of them drawing a 30 day penal farm sentence for violating the liquor laws.

Erroll Archey of Anderson township was fined \$5 and costs on an assault charge, after pleading guilty this morning.

Jesse Price, a resident of Posey township, has been arrested and convicted on two charges of violating the liquor laws, and in addition to paying a fine was given a 30 day sentence at the state penal farm.

He was arrested and arraigned late Wednesday in the circuit court on a charge of intoxication, and on another charge of driving his automobile while intoxicated. He pleaded not guilty and was released on \$1,000 bond on one case and \$100 bond in the other.

This morning he appeared and changed his plea to that of guilty. On the charge of intoxication he was fined \$10 and costs and on the other charge he was fined \$25 and costs, and given the 30 day sentence. The fines and costs amounted to \$75. He will begin serving the penal farm sentence at once.

Archey was arrested some time ago, and has been out on bail, after having formerly pleaded not guilty. His case was set for trial today, and he entered a plea of guilty. Judge Sparks heard the evidence in the case in order to determine the extent of punishment.

He fined him \$5 and costs, which was paid. The trouble in which the defendant was involved, according to the evidence, was over a tree close to a property line. The prosecuting witness was Joseph M. Eskew, and who stated that he was struck by Archey during an argument over the cutting down of the tree.

Among the new business in the circuit court is the filing of three cases, one a divorce complaint and the other two actions are complaints for money had and received.

In the divorce suit, LaVaughn Lucas Priest is plaintiff and Donald Priest, defendant. The couple was married January 26, 1921, and separated September 7, of this year, according to the complaint.

She charges that he possessed a sullen and crabbed disposition, and was frequently in an ill humor, that he failed to provide her with all of the comforts of life, and on one occasion struck her. She seeks a divorce and custody of a child. The parties have resided at 206 West Second street, prior to their separation, according to the suit.

John E. Laughlin is plaintiff in a suit against Sidney L. Hunt, sheriff and Emory Pratt, in which the complaint is for money had and received. The action involves a court judgment rendered in Hancock county, and in which an execution was made on property. The plaintiff alleges that there is due him \$100, which is his demand on the action.

Anna H. Hill has filed suit against

WHEN EXPERTS PLAY

HARRY WADE WILL SPEAK AT BANQUET

Head of Pythian State Home
Committee Consents to Come Here for
Opening of Campaign

TO LOCATE INSTITUTION

Urged That Citizens Show Great
Enthusiasm for Project in Order
to Make Favorable Impression

Harry Wade, chairman of the Knights of Pythias state home committee and president of the insurance department of the order, has accepted an invitation to speak at the banquet in the basement of St. Paul's Methodist Episcopal church, next Tuesday evening at six-thirty o'clock, when the campaign to locate the home in the vicinity of Rushville will be formally opened.

The committees in charge have set the goal for the fund to be raised at \$50,000, which sum, it is believed, will be required to get the home.

The acceptance by Mr. Wade of the invitation to speak at the Rushville meeting is regarded as extremely fortunate, in view of the fact that he can give first hand information about the proposed lodge home and can set forth the advantages which would accrue to the community where the institution is built.

Mr. Wade is one of the most influential men in Indiana Pythianism and has been in touch with the movement to erect a home from its very inception. For this reason he is familiar with what may be expected from the location of the home.

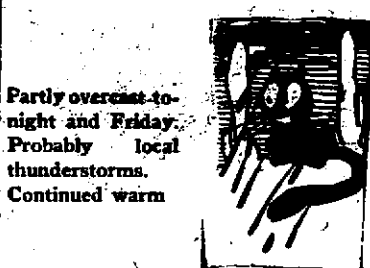

It was being pointed out today as extremely important that Rushville make a good showing at the meeting, because the impression which the community makes on Mr. Wade will no doubt be a factor in deciding on a location.

If the people of the community show a lack of interest, it is argued, it would be a big handicap to the campaign because Mr. Wade would conclude that the universal desire for the home does not exist in this community.

If Mr. Wade gets the impression from attending the local meeting, that the campaign here has only the half-hearted support of the citizens of the community, it will be a big drawback to overcome in competition with other communities which Mr. Wade has already visited and would tend to offset the favorable impression that has already been made by the Rushville lodge in being the first lodge in the state to

CIVIL WAR VETERAN DIED AT SON'S HOME

Daniel W. Thorpe, Age 85, Decatur
County Resident, Expires Wednesday
in This City

SERVICES TO BE AT SANDUSKY

Daniel W. Thorpe, age 85 years, a native of Decatur county, died Wednesday afternoon at the home of his son, Walter Thorpe, 829 North Jackson street, death resulting from an illness with complications arising with advanced age.

The deceased was a veteran of the Civil War, and was a member of Company E, 34th Indiana. He had spent most of his life in Decatur county, coming here five years ago to live with his son.

He is survived by two sons, the one in Rushville and A. C. Thorpe of Sandusky. He also is survived by a half sister, Mrs. Jane Goddard of Greensburg.

Funeral services will be held Friday morning at ten o'clock at the Methodist church in Sandusky, and burial will be made in the cemetery at Sandusky.

MEXICAN BEETLE ON INCREASE

Bean Crop in Southern Indiana May
be Damaged by Pests

Indianapolis, Sept. 10—An alarming increase in the number of Mexican bean beetles in the southern counties of the state is shown in a report of a survey by Frank Wallace, state entomologist.

A year ago only a trace of the beetle was noted in the state. This season southern counties in general are being ravaged and the insect has been seen in numbers as far north as Bloomington.

In spots the bean crop has been ruined by the beetle, which is one of the most pernicious insects that ever invaded the state.

SAFE AVIATION PLAN OF SURVEY

Campaign to Make the United States
Safe in Air Flying, Begins With
Probe Today

OTHER COUNTRIES TO AID

Will Give Comparison in Facts and
Figures—Texas Legion to Aid
Mitchell in His Fight

By S. P. HOLLINGSWORTH

(U. P. Staff Correspondent)
Washington, Sept. 10—A campaign to make the United States safe for aviation was looked for today as the result of the Shenandoah disaster and investigation of charges made by William Mitchell.

A survey in course of preparation by the commerce department covering the strides that have been made in Europe through governmental subsidies probably will be used as a basis of comparison.

Seven European governments have submitted reports to the department on their activities and these show how regulation abroad has not only stimulated development of aviation but has made it a comparatively safe as well as a popular means of transportation.

Mitchell Awaits Arrest

San Antonio, Tex., Sept. 10—Col. William Mitchell was marking time today awaiting the arrival of Col. George A. Neugent, coast artillery corps and attached to the inspector general's office at Washington.

Col. Neugent has been ordered to Fort Sam Houston to investigate Mitchell's charges of inefficiency and "near treason" in the conduct of aviation affairs. He is expected to arrive tonight.

The "stormy petrel" of the air service reiterates that he is standing pat on his charges; invites an investigation; and says he is ready to take the consequences even if he has to stand trial by court martial.

Legion To Aid Mitchell

San Antonio, Tex., Sept. 10—The American Legion of Texas is organizing in defense of Col. William Mitchell, 8th corps area air officer, who is to be investigated and probably court martialled for his caustic criticism of the administration of aviation affairs and will demand that the potential court martial be public.

The Texas Legion is solidly backing Mitchell in his efforts to obtain unified aircraft control in the defense system.

Dr. W. T. Dunning of San Antonio

APPOINTMENTS ARE MADE

Miller and Hough Retained in Office
For Four Years

Indianapolis, Sept. 10—Governor Jackson yesterday reappointed Newman T. Miller to a four year term as state fire marshal. The governor also reappointed William Hough to the state tax board for a four year term.

The state library and historical commission selected Demarchus Brown, present state librarian, as director of the state library. Under the reorganization of the library, Charles Kittleborough will remain as head of the legislative reference bureau and Christopher Coleman will head the historical bureau.

OFFICERS DETAIN FOUR YOUNG MEN

Sons of Prominent People of Vin-
ton, Iowa, Charged With Disorderly
Conduct by Throwing Eggs

SENATOR'S SON IN LIST

Investigation May Throw Some
Light on the Murder of Mrs. Cook
W. C. T. U. President

Vinton, Iowa, Sept. 10—Four young men of Vinton are under arrest in connection with the investigation into the murder of Mrs. C. B. Cook, president of the Benton county women's Christian Temperance Union. The arrests, made secretly last night, were announced today.

The youths are charged with disorderly conduct in connection with the bombardment of the Cook home with rotten eggs last July.

The prisoners, all members of prominent local families, are: Martin Swarthbaugh, Louis Gilchrist, Peter Tritton and George Palmer.

Warrants for the arrest of Walter Long and Harold Thompson and Donald White, son of State Senator White, have been issued, and they will be arrested some time today.

"Sensational developments" were promised officials as the coroner's jury reconvened the inquest. County officials said they would have further definite arrangements to make within 48 hours.

Mrs. Cook was shot to death Monday night as she sat in her home here. Officials are divided on the motive. The coroner holds that bootleggers, enraged because of Mrs. Cook's vigorous campaign against them, conspired in the murder. Other officials say they believe some other motive is involved.

The four prisoners and the three youths still to be arrested will appear before the coroner's jury.

Some officials abandoned the theory that Mrs. Cook was killed by bootleggers who resented her vigorous campaign against liquor selling but Modlin said he refused to take this view.

"I still hold to the theory that booze sellers murdered her," Modlin told the United Press. "I think they threw eggs at her home as a warning and when she refused to take heed, they killed her."

Nearly a score of men and women have been examined by the coroner, who today continued the inquest.

Funeral services will be held this afternoon.

Members of the Benton county W. C. T. U. through their acting president, Mrs. S. W. Cook, mother-in-law of the slain woman, called upon Governor Hammill to aid in cleaning up the town of Vinton, where, members asserted, enforcement officers are "winking" at the law.

FUGITIVE IS CAUGHT

South Bend, Ind., Sept. 10—George Wallace, a fugitive from the state penal farm at Putnamville to-day faced a sentence of two to five years for jail breaking. Wallace was captured here when a policeman found him at work tearing down a house.

Everett Nugent, age 50, who lives east of Morristown a short distance, was painfully injured Wednesday afternoon when he was struck and knocked down by an automobile in Morristown, said to have been driven by Rich Reed of this city.

SERIOUS STORM SWEEPED COUNTRY

Mid-Western Heat Wave Reduced
Today, as Small Tornadoes, Rain
and Wind Passes Over

DAMAGE IN WISCONSIN

One Man Killed in Burlington, and
Property Loss is High as Result
of Wind Storm

Chicago, Sept. 10—Described by weather bureau officials as summers last flare-back, the mid-western heat wave today gave way to small tornadoes, rain storms and falling temperatures.

High winds caused heavy damage in Racine, Kenosha and Walworth counties in Wisconsin and at Peoria Ill., during the night.

Other sections of Wisconsin, Minnesota, Illinois, Iowa, Indiana, Missouri and Kansas were visited by drenching rains. In Illinois and Indiana temperatures dropped suddenly from 100 degrees and higher to as low as 68 degrees.

The storm reached cyclonic proportions at Peoria, up-rooting trees, hurling automobiles across the streets and breaking windows. Twelve persons were injured by shattered glass. An empty barrel was lifted up by the wind and sent crashing through a second story window in the business section.

One Killed in Wisconsin

Burlington, Wis., Sept. 10—One man was fatally hurt, several others were less seriously hurt and large crop and property damage was done by a tornado which swept Racine, Kenosha and Walworth counties last night, according to a check up today.

Many automobiles were wrecked by the twister. Telephone and telegraph companies reported many of their lines out of order and numerous poles down.

Electric companies reported broken transmission lines, which forced them to shut off power while workmen were sent to repair the wires.

The storm originated at Lyons, Walworth county, and thence swept eastward toward Kenosha and Racine, tearing through a strip 15 miles long and two miles wide.

Storm Reduces Heat

Springfield Ill., Sept. 10—Thunder storms during the night brought temporary relief from the heat to this city today after a high of 100, reached yesterday, which necessitated the closing of the public schools.

Relief at St. Louis

St. Louis, Mo., Sept. 10—An overnight rain brought relief to this district after 13 days of offensive heat.

MORRISTOWN MAN IS STRUCK BY MACHINE

Everett Nugent Failed to See Car
Driven by Rich Reed of This City,
and is Injured

WAS CROSSING THE STREET

Everett Nugent, age 50, who lives east of Morristown a short distance, was painfully injured Wednesday afternoon when he was struck and knocked down by an automobile in Morristown, said to have been driven by Rich Reed of this city.

The accident happened shortly after the noon hour, in front of the Nugent garage in Morristown. According to witnesses he started to cross the street, and failed to see the machine. The Rushville man was held blameless for the accident, according to Dr. V. C. Patton, of Morristown, who attended the injured man.

Mr. Nugent sustained two broken ribs, a severe gash in his head and several cuts and bruises. His injuries were dressed by Dr. Patton at his office, and the man was afterwards taken to his home in an ambulance.

He was reported this morning to be recovering as well as could be expected, and while the injuries are painful they are not regarded as serious, according to Dr. Patton.

You probably know that Cod Liver Oil is the greatest flesh producer in the world.

Because it contains more Vitamins than any food you can get.

You'll be glad to know that Cod Liver Oil comes in sugar coated tablets now, so if you really want to put 10 or 30 pounds of solid healthy flesh on your bones and feel well and strong ask Pitman and Wilson or any druggist for a box of McCoy's Cod Liver Oil Compound Tablets.

Only 60 cents for 60 tablets and if you don't gain five pounds in 30 days your druggist is authorized to hand you back the money you paid for them.

It isn't anything unusual for a person to gain 10 pounds in 30 days.

"Get McCoy's, the original and genuine Cod Liver Oil Tablet."

CUTS ESTIMATES TO KEEP SAME TAX RATE

Continued from Page One
for elections and \$8,000 granted. An item of \$50 for highway expense was disallowed. Circuit court expenses were cut \$200, this sum being taken off of the amount estimated for special judges.

The new bridges asked, none of which will be built next year were: One in Posey, \$1,200; one in Walker, \$1,200; one in Center \$2,200; one in Union, \$1,200; three in Noble, \$6,200; two in Orange \$1,500; one in Anderson \$6,500.

The allowances for the expenses of the county offices were as follows: Clerk, \$3,740; auditor, \$4,700; treasurer, \$3,400; recorder \$2,475; sheriff, \$3,985; surveyor, \$100, county superintendent of schools \$3,650; assessor, \$1,210; coroner, \$650; health commissioner, \$715; commissioners, \$1,050; county council, \$70; county attorney, \$300; board of review \$500; board of trustees \$1,525; circuit court \$8,475.

The appropriation ordinance included \$6,300 for the county poor expense, but was not counted in fixing the tax rate, as the money is raised by township levy and expended through the county's funds.

The appropriations for the expenses of assessing were as follows: Riley, \$390; Posey \$345; Walker \$339; Orange \$342; Anderson, \$363; Rushville \$870; Jackson, \$312; Center \$345; Washington \$342; Union, \$342; Noble \$336; Richland \$315.

Other items in the 1926 appropriation ordinance were as follows: Expense court house repair, \$1,000; janitor, \$1,800; court house supplies, fuel, light and water, \$1,800; jail, \$1,000; poor farm, \$7,150; burial of soldiers, sailors, their wives and orphans, \$1,500; public printing, \$1,000; board of charities, \$100; farmers' institute, \$125; ditch expense, \$500; examination of public records, \$1,000; tax refunds, \$500; county agricultural associations, \$100.

Reficiency appropriations made for this year were as follows: Court house repairs, \$500; county jail, \$150; miscellaneous, \$50; expenses of inmates in state institutions, \$2,000; elections, \$18.25; other expenses, \$100; enumeration, \$62; tax refund, \$350; county line bridge, \$340; auditor's office, \$300; treasurer's \$400; riding, \$600; sheriff's mileage \$150.

close to 100 pounds. It will be ripe in about ten days, and it will be exhibited in Rushville to prove his claim for the biggest melon, he said today.

Baby Breaks Both Legs

Annabelle Fessler, five weeks old daughter of Mr. and Mrs. George Fessler of Blue Ridge, is suffering from a fracture to each leg, near the hip, and her condition is regarded as serious. The left leg was fractured two weeks ago and the right was broken this week. It is said to be a very peculiar case and the parents have no knowledge as to when the accident happened either time.

Two Machines Run Together

Two machines ran together at Harrison and Second streets according to the police report, with no one injured and one machine damaged. The accident happened Wednesday afternoon. One car was driven by Fred Mitchell of Frankfort and the other by Albert Johnson of Indianapolis. Johnson was going east and Mitchell west, and cut the corner, striking the Johnson car, according to the report. The Johnson car was damaged.

Bible Thought
—FOR TODAY—

Perfect Peace.—Thou wilt keep him in perfect peace, whose mind is stayed on thee; because he trusteth in thee. Isaiah 26:3.

Prayer.—Lord, we believe. Help Thou our unbelief.

Farms Make Money

A study of the management of successful 160-acre farms in central Indiana, recently made by the United States department of agriculture and Purdue University, shows the best 10 percent of 400 such farms from 1910 to 1922 made an average yearly income sufficient to cover 5 percent interest on capital invested and \$1,465 for labor and management. These farmers in addition obtained an important share of their family living, estimated at farm prices, at \$605 a year.

Most of the 160-acre farmers made "good money," the department says, during such periods of agricultural prosperity as from 1916 to 1919. During more normal periods, such as occurred from 1910 to 1915, about half of them made as much as 5 percent on their capital and wage of \$300 for their labor, in addition to the family living from the farm. Only an occasional 160-acre farmer in central Indiana does so well during periods of depression,

such as started in 1920, but some farmers made money even then. For example, a 160-acre farmer in Clinton County, averaged a farm income of nearly \$2,000 per year for the years 1920 to 1923.

Corn, oats, or wheat, and clover or clover and timothy are the principal crops in this territory. Most of the small grains are sold as cash crops and the corn and clover (both hay and pasture) are fed to hogs, cattle, work animals, sheep and poultry. Hogs got the largest share.

An analysis of the management of these farms has been published in Farmers' Bulletin No. 1463, entitled, "Successful Farming on 160-acre Farms in Central Indiana." The bulletin sets forth to 160-acre farmers standards which some farmers have reached and which are believed to be within the reach of a great many other 160-acre farmers in this and similar sections.

Copies of the bulletin may be obtained free upon request to the department of agriculture, Washington, D. C.

A Little Game of See-Saw

Several days ago M. Calliaux, foxy French financier went over to visit Winston Churchill, the skilled British statesman. Ostensibly it was to see about funding France's war debt to Great Britain.

And a wonderful little agreement was tentatively entered into. Great Britain agreed to forgive the principle if France would pay her two per cent interest for sixty-two years. But there was just a tiny "if" in the agreement. That was to the effect in case France is compelled to pay hard hearted and grasping America any more than the two percent interest and no principle, she is to raise her ante to tender-hearted Great Britain in the same amount.

Here is where the see-sawing begins, and the person to be see-sawed is of course, as usual, your Uncle Sammel. Either Uncle Sam must give the same terms to France that Great Britain agreed to, or he is an extremely cold-blooded and hard hearted Shylock, who is responsible for holding back European reconstruction.

Then in case he relents, and agrees to the ridiculous terms set out at London—then the see-sawing will begin anew. Great Britain will be in position to complain that we gave La Belle France much easier terms than we gave John Bull and that Uncle Sam must therefore reduce the British terms or lose his reputation as a gentleman.

Then, after all this is put over,

Stewart LetterBY CHARLES P. STEWART
NEA Service Writer

WASHINGTON — Major William E. R. Covell, assistant to Engineer Commissioner James Franklin Bell of the District of Columbia, known more about city traffic, afoot and a wheel, than anybody in the world.

He has just finished a survey of it in Washington, for the district commissioners, and for thoroughness it never was equalled in history.

While it was limited to the capital, most of the conditions it revealed are common to all big cities, at any rate in the United States.

SOME time ago Congress passed a bill authorizing Washington's various street car and autobus lines to merge. The commissioners wanted to know if it were desirable to go ahead and merge them.

They had to find out all about traffic first, to decide.

Washington Letter

That was the survey's genesis. Covell was put in charge. He's thorough by nature. He had plenty of money—\$50,000—to do a good job. And the despotic form of the district's government provided him with an excellent machine for his work.

MORE pedestrians are hit by autos between 8 and 9 p. m. than at any other time of day or night. Presumably this is because visibility is low, but hasn't been low long enough for autos and pedestrians to get used to it.

Besides, it's an hour when most people are bent on pleasure and therefore careless.

Eleven to noon is the peak hour for autos to hit fixed objects—as their drivers are scooting home for lunch.

But the rush hour is from 5 to 6 because more people go home to dinner than to lunch. That's when most autos collide. These are some of the things Covell ascertained.

if we will only lend them the money to pay us with, everything will be perfect.

The plan is a good one, but like a lot of other good ones, it won't work. And even Mr. Chamberlain and M. Calliaux will realize this when they get the clipped comment from the American newspapers on the subject. We may be easy over here, but they didn't fool us this time, even for a minute.

FIFTEEN YEARS AGO TODAYFrom Daily Republican
Saturday, Sept. 10, 1910

While placing a gas meter at a residence in North Perkins street in position yesterday, James Gregg, superintendent of the Rushville Natural Gas company, allowed the heavy piece of iron to fall on his foot. He was painfully hurt and the injury was of such a nature that it was necessary to haul him home.

It was more than usual interest that the Modern Woodmen from all parts of Rush county gathered for the first annual Log Rolling which was held at the Rush county fair grounds today. The program was carried out as planned with few exceptions.

Jerome, the bay trotting horse, owned by John K. Gowdy and Bruce Graham won a remarkable race at the free Fayette county fair Thursday afternoon, according to local people who saw it.

Alice Bishop, Miss Mary Gray, Clem Clifton and Misses Nettie and Eva Ormes were among the Rushville people in the city to attend the fair at Shelbyville yesterday.

Mrs. Bernice Jackson and children returned to their home in Anderson yesterday after being the guests of Mr. and Mrs. Selman Webb in West Third street for the past week.

Mrs. Bert Talbott and daughters, Lucile and Hypathia, have returned to their home in Indianapolis after a two weeks' visit with Mr. and Mrs. David Marshall at their home west of the city.

Mrs. Rhoda English is in very poor health at her home in West Fifth street.

Edgar J. Higgs, city editor of the Jacksonian, was a business visitor in Indianapolis yesterday.

Mr. and Mrs. Will Mulno and daughter, Dorothy, have returned from a ten days' visit with relatives and friends in Chicago.

The Misses Martha and Nancy Hogsett have returned from a visit with the Misses Lillian and Katherine Nading at their home in Shelbyville.

Mr. and Mrs. Derby Green are the guests of friends in Indianapolis. The regular meeting of the Monday Circle will be held at the country home of Mrs. Robert Innis, known as "The Robin's Nest," next Monday afternoon. It is the first of the regular meetings which will continue during the fall and winter.

The Rev. J. B. Meacham, who has accepted the call to fill the pulpit of the First Presbyterian church of this city, has shipped his goods here to take up his residence. He and his family have gone to Mount Sterling, Ky., their former home, for a visit previous to their coming to this city.

Bad news from New York. Bomb exploded in a coffee house. Of course, the coffee was too weak to run.

American heiress married a Frenchman. Says he will do as she says. Thinks he's joking. He isn't.

Some people will do anything to save money. In Los Angeles, a rich widow married her chauffeur.

Eastern man asks divorce. Says she kept him in hot water. He should have waited a bit. Winter's coming.

Even beds are dangerous. In Louisville, Ky., a man fell out of one and broke two ribs.

Let's be real quiet about it and maybe this winter will slip by without a crossword puzzle craze.
(Copyright, 1925, NEA Service, Inc.)

MOVIE NOTES**"The Fire Patrol," Castle**

One of the most dramatic incidents in Hunt Strongberg's production of "The Fire Patrol" the sensational melodrama which will be shown at the Castle theatre today and Friday, occurs when a blind, old sea captain is led by his enemy to a cliff and left alone and helpless there. With his arms outstretched, flailing clumsily with his cane, he walks slowly towards the steep precipice that will mean his unknowing death—on and on—until his foot steps heavily into—space.

There is a tension in this scene that has never been surpassed on the screen. Usually suspense is, on the side of the audience only, with the characters knowing their action beforehand. In this case, it is on the side of both character and audience, which naturally doubles its intensity.

Doris Kenyon at Princess

Imagine, if you can, a ship on fire at sea. A leopard has escaped from a cage on the deck and is driving the panic-stricken passengers into the water. One man and one woman are left aboard and when they rush to the last remaining lifeboat they find the leopard crouched in it ready to fight for possession.

That is only one of the many remarkably thrilling episodes in "The Half Way Girl," First National's latest feature picture, which opened last night at the Princess theatre for a two day's stay. Even the ship being blown to atoms, stirring fights between men over a woman, a beautiful love story, colorful settings and extraordinary photoplay. This is one of the best pictures Earl Hudson has ever made for First National.

In the featured roles are Doris Kenyon and Lloyd Hughes. Supporting them is a cast consisting of Hobart Bosworth, Sam Hardy, Tully Marshall, Teddy Sampson, Sally Crute and Charles Wellesley. John Francis Dillon, who made "Flaming Youth" and "Chickie," directed.

From The Provinces**There's No Accounting for Taste**

(Pittsburgh Gazette Times)
A Florida real estate millionaire is on a trip around the United States with his wife and 54 of their relatives. He probably wants to show them where the money came from.

HARD SCHEDULE IN STORE FOR WABASH

Little Giants Will Open Football Season September 26 Meeting Hanover Team

SCHEDULE CLOSES NOV. 21

Coch Vaughan Does Not Have Bright Outlook Against a Schedule That is Still

Indianapolis, Sept. 10—A.P.—Confronted by the hardest schedule arranged for a Wabash college football team since the days of the original "Little Giants," Coach Robert Vaughan and his varsity squad this week opened another year of football activity on Ingalls Field.

The Scarlet mentor who has had charge of Wabash teams for the past five years this season faces his greatest problem with four Big Ten games featuring a nine game schedule.

The Scarlet season will open Sept. 26 when Hanover plays at Crawfordsville. The schedule will close Nov. 21 with DePauw here for the annual homecoming attraction.

The present outlook for Wabash is far from encouraging although the athletic department hopes that some surprises so characteristic of Wabash teams will develop.

The scarcity of veteran players makes the task of building this year's Little Giant eleven a difficult one and Coach Vaughan will be forced to fall back on sophomores who last year were members of the freshman squad.

Prominent among these players are Maury Rush, former star at Technical high school, Indianapolis; Hank Gordon, a team mate of Rush at Technical; McCorkle, a big lineman from Milroy, Ind.; Cheyney, a product of the Central high school at Evansville; Tiny Castle, 350 pound guard from Portland, Ind.; Crosby, Cathedral high school star of Indianapolis; Markley, backfield performer from Michigan; Geraldou, a Wisconsin product, and McDougall Johnson of Chicago and Saverkup and McDaniels, former Crawfordsville players.

Members of the 1924 varsity squad who are sure to see action this fall include Capt. Sherman, Battle Creek, Mich.; Paynter, guard of Indianapolis; Webber, guard of Benton Harbor, Mich.; Hobson, end of St. Louis, Helm, quarterback of Muncie; M. Parr, halfback of Sheridan; Gibson, halfback of Kirklint; Cripe, halfback of Logansport; Robinson, end of Anderson; Martin, tackle of Chicago; Dubard, tackle, Advance; and Robertson halfback, Chicago.

The return of Elliott of Sheridan to the Scarlet camp this season remains in doubt. Elliott for the past two seasons has been the unanimous choice of state critics at an end position and is one of the best wingmen in this section of the country.

He is now in California where he has been spending the summer months and his return is very doubtful. If he is lost to Wabash Coach Vaughan has a big job on his hands in finding a capable successor.

McFarland who was a member of the varsity squad three years ago but had been out of college since that time, has reported and will make a strong bid for a line position. McFarland comes from Anderson where he played on the high school team coached by Alva Stages.

Coch Vaughan will hold two practice games each day until the opening of college Sept. 14.

The complete Wabash schedule follows:
Sept. 26—Hanover at Crawfordsville.
Oct. 3—Purdue at Lafayette.
Oct. 10—Muncie Normal at Crawfordsville.
Oct. 17—Minnesota at Minneapolis.
Oct. 24—Butler at Indianapolis.
Oct. 31—Iowa at Iowa City.
Nov. 7—Chicago Y. M. C. A. here.
Nov. 14—Illinois at Urbana.
Nov. 21—DePauw here (homecoming).

IN SOCIETY

The annual reunion of the New-house-Blackledge families will be held Sunday, September 13, at Memorial Park, this city.

Miss Edna Ruff entertained with an informal special party Tuesday evening at her home in Glenwood, honoring Miss Marjorie Winslow of Arlington, who left today for Indianapolis, to enter Butler College. A delightful evening was enjoyed by the guests.

The eighteenth annual reunion of the Land family will be held Sunday September 13, at Memorial Park, this city. All relatives and friends are cordially invited to come and help make this one of the greatest reunions. A pitch-in dinner will be served at the noon hour. A program will be given in the afternoon.

Mr. and Mrs. James C. Gregg announce the marriage of their daughter, Mrs. Claire M. Colvin to Datus E. Hollowell, which occurred Saturday morning at the St. Paul's Methodist Parsonage, the Rev. H. W. Hargett performing the ceremony. They will be at home to their friends at 405 North Harrison street.

Miss Gladys Cregar was a charming hostess Wednesday evening when she entertained with a miscellaneous shower, honoring Mrs. Artie Hittle, at the home of her sister, Mrs. Will Trennepohl in Buena Vista Avenue. The guests were the girls who are employed at the Rushville Telephone office, as Mrs. Hittle, who was formerly Miss Helen Moore, was an employe there. The honored guest received many nice presents. As the closing feature of the party dainty refreshments were served by the hostess.

Mrs. Olive Haywood announces the marriage of her daughter, Miss Belva Inez Haywood, to Earl R. Van Kirk, son of Rudolph Van Kirk of near Milroy. The wedding took place Saturday afternoon at two o'clock at the home of the bride's mother, in West Third street, and was performed by the Rev. H. W. Hargett, pastor of the St. Paul's M. E. church. The bride was dressed in a lovely tan satin crepe, hand embroidered. A reception was held after the wedding for the bridal couple, twenty five guests being present. Immediately after the reception, Mr. and Mrs. Van Kirk left on a motor trip to Denver, Colorado, where they will make their future home.

The Music Study Club held an open meeting Wednesday evening at the home of Mrs. C. E. Walden in North Harrison street. The club will take up for study this coming year, the second book "From Song to Symphony" of the study course in Music Understanding, adopted by the National Federation of Music Clubs. The first chapter "Folksong" was discussed at this meeting by Mrs. George Wiltse, Mrs. C. E. Walden and Miss Virginia Lucas. Mrs. Walden sang a group of folksongs: "When Love is Kind," "La Marseillaise," "Tis the Last Rose of Summer," "all Through the Night," and "Comin' Thru the Rye." Miss Lucas played "The Song of The Volga Boatman," a folksong. After a brief business session refreshments were served by the hostesses.

Mrs. Walden, Mrs. Walter Smith and Mrs. David McIntosh.

The descendants of Francis and Nancy David Gray held their third reunion at the home of Mr. and Mrs. Thomas Gray of Charlottesville Sunday, September 6. A bountiful pitch-in dinner was served at the noon hour, which all enjoyed. Those present were Mr. and Mrs. Manford Johnson, of near Milroy, Mr. and Mrs. Ernest Jones, daughters Margaret and Marian and son Manford of Indianapolis, Mr. and Mrs. Charles Walker and daughter Betty Gray of Greenfield, Mr. and Mrs. Alva Johnson and daughters Frances, Gertrude Mary and Georgia and son Alva, Junior of near New Salem, Mr. and Mrs. John Gray, daughters Mary and Virginia and son John Junior, and Mr. and Mrs. Thomas Gray of Charlottesville, and Miss Eva Keen of Danville, Ind. The reunion next year will be held at the home of Mr. and Mrs. Alva Johnson.

The marriage of Miss Emma J. Peacock, daughter of Mr. and Mrs. William Peacock of Lapel, Ind., to Leon Krueger of Minneapolis, Minn., took place at 4:30 o'clock Wednesday afternoon at the M. E. Parsonage in Lapel, Ind. The single ring ceremony was read by the Rev. Mr. Wickersham before the fireplace, which was banked with flowers. During the ceremony, "To A Wild Rose," and "Souvenir," was played on the piano by Miss Mary Harris of Anderson, Ind.

The bride was attended by Miss Myra McDaniel, of Carthage, who acted as maid of honor. She was dressed in a petal pink crepe gown and wore a corsage of roses and orchid asters. Walter Elsten of Lapel, Ind., acted as best man. The bride wore a lovely gown of azure blue georgette trimmed in silver, and made over satin. She carried a shower bouquet of bride's roses and white asters. She also carried the handkerchief her mother carried at her wedding.

Following the ceremony a two course dinner was served at the home of the bride's parents. The guests besides the bridal party were Mr. and Mrs. White Miller of Loveland, Ohio, Mrs. Al. McDaniel of Carthage and Louis Baman Peacock of Lapel, Ind. Mr. and Mrs. Krueger left on a short wedding trip to Indianapolis and Chicago following the dinner, the bride travelling in a black ensemble suit trimmed in gray fur, with accessories to match. They will make their home at 3840 Thirteenth avenue, South Minneapolis, Minn.

Nazarene Church Will Conduct Tent Services for Two Weeks

REV. GEORGE A. MOORE
A tent meeting will be conducted by the Rev. George M. Wilson, a former lawyer and able gospel preacher, and the Rev. George A. Moore, a widely known singer and song leader, who has traveled up and down the country for years, as a song evangelist.
This meeting begins this evening, September 10, at 7:30 p. m. and will continue until September 27. It is held under the auspices of the Church of the Nazarene. The public is invited to attend these meetings which are being held in a tent at the corner of West Third and Hanah streets, about five blocks west of the Interurban Station.

heat, 18 persons died in St. Louis and several more were reported from southern Illinois.

Cyclone at Peoria

Peoria, Ill., Sept. 10—A baby cyclone, accompanied by a blinding downpour of rain driven first from the north, then veering suddenly and coming from the south, struck Peoria late Wednesday afternoon. A dozen people in the downtown district were injured by broken glass, but none were seriously hurt. Plate glass windows were broken, awnings ripped away and signs torn loose. Dozens of automobiles parked down town were blown across the streets, tops broken and windshields shattered. An empty barrel carried by the wind broke a second story window of a law office in the Apollo theatre building.

TWO DEFENDANTS PLEADED GUILTY

Improvement Resolution No. 423

Be It Resolved by the Common Council of the City of Rushville, Indiana, that it is deemed necessary to construct a cement sidewalk on the south side of Eighth street from Spencer street east to the alley between Sexton and Jackson streets, and that such improvement be made in accordance with the plans, profiles, details and specifications on file in the Clerk's office of the City of Rushville, Indiana, and such improvement is now ordered.

The cost of said improvement shall be assessed upon the real estate benefited by such improvement and upon the City of Rushville, Indiana, and said construction, and all proceedings in connection therewith, shall be made all according to the methods and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations" approved March 6, 1905, and all amendatory and supplemental acts thereto. Assessments of property owners if deferred are to be paid in ten equal installments with interest at the rate of six percent (6%) per annum, all as by law provided. A bond or bonds shall be issued to the contractor in payment of such assessment where the owner or owners of the real estate upon which such assessments are a lien shall exercise the right to pay the same in installments. Under no circumstances shall the City of Rushville, Indiana, be or be held responsible for any sum or sums due from said property owner or owners for said work or for the collection of the same or for the payment of any bond, bonds, certificate or certificates issued to said contractor in payment for such work except for such money as shall have been actually received by the said City from the assessments of such improvements or such monies as said City is by law required to pay.

And be it further resolved the 18th day of September, 1925, at 7:30 p. m., be fixed as the date upon which remonstrances may be filed by persons interested in or affected by said described public improvement, and said Council will meet at the Council Chamber of said City at said time for the purpose of hearing and considering any remonstrances which may have been filed or which may be presented at said time, and will hear all persons interested or whose property is liable to be assessed for the proposed improvement, and at said time will decide whether the benefits to the property liable to be assessed for such improvement are equal the estimated cost thereof as estimated by the City Civil Engineer, and the Clerk be and he is hereby directed to give notice accordingly.

WOMAN'S BACK STOPPED ACHING

I Suffered Three Years. Relieved by Taking Lydia E. Pinkham's Vegetable Compound

St. Paul, Minn.—"I have a little girl three years old and ever since her birth I have suffered with my back as if it were breaking in two and I have felt as if something were falling out all the time. I also had dizzy spells and was sick at my stomach every month. I had read several letters of women in the newspapers and the druggist recommended Lydia E. Pinkham's Vegetable Compound to my husband for me. As a result of taking it my back has stopped aching and the awful bearing-down feeling is gone. I feel stronger and do all of my housework and tend to my little girl. I have also taken Lydia E. Pinkham's Liver Pills for constipation. I have recommended these medicines to some of my friends and you may use this letter as a testimonial if you wish. I will be pleased to answer letters of other women if I can help them by telling them what this medicine has done for me."—Mrs. PRICE, 147 W. Summit Avenue, St. Paul, Minnesota.

OUT OUR WAY

By Williams

ARLINGTON

Charlie Addison, who is working in DeGraff, Ohio, spent Sunday and Monday here with home folks. Van Long and family are on their way home from Florida. Russell Northam and son have returned from Michigan, but Mrs. Northam and the son, who is afflicted with hay fever, remained. Clifford Piper and family of Cincinnati, Ohio, visited his parents, Labor Day. Lillie Edwards of Muncie visited her mother Sunday and Monday. Mr. and Mrs. Oscar Miller went to Cincinnati, Ohio, for a visit. The reunion of pupils and teachers of No. 9 school will be held Saturday, September 12. Miss Alta Addison is ill at her home, here. Fred Woods, who went to Florida, is in poor health. Miss Grace Ayers of Kansas City is visiting relatives here. H. F. Pressnall and family and C. Vanzandt of Indianapolis and Mr. and Mrs. D. M. Pressnall of Arlington motored to Cincinnati, O., Monday and visited the Zoo. They returned by way of Richmond, Cambridge City and Knightstown.

Obituary

Alfred C. Sharp, son of Leonard and Mary Sharp was born on a farm in Scott County, Kentucky, Dec. 20th, 1856 and fell asleep on Wednesday evening Aug. 26th at the age of 68 years. On Dec. 21st 1880 he was married to Mary Whitton. Seven children blessed this union of which two have preceded him. He moved to Rush Co. in 1885 where he has since made his home. In June 1899 the death angel entered the home and took the wife and mother. On Aug. 14th 1900 he was married to Josephine Whitton, who survives him. His life was one of hard work and toil to acquire the home he loved so well. At the time in his life that he could feel able to enjoy his earthly savings he was stricken with that dreaded disease cancer, and was a sufferer for three years. For the past 19 months he has been confined to his bed but he was indeed a patient sufferer. His fortitude, endurance and patience were greatly admired by those who knew him best and knew that the smiling face and kindly words were given when pain and sickness were present. In 1897, he accepted Christ and was a member of the Rushville Christian church. During his sickness he often expressed his faith in the Master and prayed to enter into that glorious inheritance where there is no more pain, sickness or death, but peace and joy and eternal fellowship. Heaven is nearer and dearer because of his going. He was a loving husband, a kind and affectionate father and a friend to all who knew him. He is survived by his wife, one daughter, four sons, nine grandchildren and a host of relatives and friends. Surely we should not feel so grieved, When we know how much you are relieved. We will miss you more than we can say, But hope to meet you some sweet day. A happy home we all enjoyed, How sweet the memory will cling; But death has left a loneliness Which the world can never fill. Some time, some day, again our eyes shall see, The face we love so well; Some time our hand will press in his And never say farewell.

Firestone

Tire Prices Are LOW—CRUDE RUBBER HIGHEST IN YEARS

Buy Now and Save Money!

The unprecedented demand for Firestone quality and mileage has more than doubled the sales of Gum-Dipped Cords to car owners so far this year, enabling us—because of this tremendous volume—to keep prices low.

Experienced car owners insist on tires that deliver the greatest mileage at the lowest cost per mile, because such tires last longer—make the restricted rubber supply go further—reduce crude rubber costs—and help maintain the present low tire prices.

Firestone extra process, is also one of the biggest and most important economy factors in tire performance. This method of treating cord fabric, developed by Firestone tire chemists and engineers, insulates every fiber of every cord with rubber, and gives the sidewalls the extra strength to withstand the extra flexing strain—insuring maximum safety, comfort and economy.

Buy now—make sure of economical transportation by obtaining these outstanding Firestone superiorities at present low prices.
